8 次の英文を読んで、あとの問いに答えなさい。

I'm Nancy. Today, I will talk about my first trip to Tokyo. On the first day, I went to \*Asakusa. I saw a lot of people wearing kimonos. They were very nice. I want to wear one someday. I visited a big temple to pray. There were many shops near the temple. I bought some souvenirs there.

Then, I had lunch at a sushi restaurant. I was so surprised because there were so many kinds of sushi! It was a little expensive. But I liked sushi because it is delicious and healthy. I want many people to try sushi.

At the restaurant, I met a nice Japanese girl and her family. The girl's name is Yui. She can speak English well. We became good friends soon and we went to \*Tokyo Skytree together. I have never seen such a high building. I could see people, houses and cars. They were so small from the \*observation deck. I felt sad when I said good-bye to Yui. I took a picture with Yui before I left. It is a treasure for me.

Japan is a wonderful country, because Japanese people are so kind and Japanese culture is so interesting for me. I'm looking forward to visiting Japan again!

\*Tokyo Skytree 東京スカイツリー
